RECOMMENDATION

Due to the appointment to fill a vacant seat on the City Council, it is recommended that the City Council reorganize by selecting its Mayor and Mayor pro tempore and that the City Council appoint delegate(s) and alternate(s) or confirm current representation to the following boards and commissions.

BACKGROUND

Customarily after re-organization, the City Council considers appointments of its members to serve various local and regional boards and commissions. The following is a listing and brief description of each board or commission on which members of the City Council serve.

San Bernardino Associated Governments (SANBAG) – meets the first Wednesday of each month from 9:30 a.m. until noon at the Feldheim Library, 555 W. 6th Street, San Bernardino. SANBAG consists of the San Bernardino County Transportation Commission, Transportation Authority, Congestion Management Agency, and Service Authority for Freeway Emergencies (Call Boxes). SANBAG also oversees Omnitrans and administers the 1/2 –cent sales tax. Theoretically, the delegate and alternate could also serve on the Omnitrans Board. Practically, it may be favorable that the appointments to SANBAG and Omnitrans be different.

Councilman Christman is the current delegate; Mayor pro tempore Petersen is the alternate. Board members are required to file a Statement of Economic Interests.

Confirm current appointments or appoint one board member and one alternate.
